

# Pilot Group Tuition

Updated November 2024

## Full-Day

5 days per week  
5+ hours per day

**\$87 per day**

## Part-Day\*

5 days per week  
0-5 hours per day

**\$77 per day**

*\*The part-day rate is only available for kids attending the Early Childhood Education program at a school district, only on days of attendance (e.g., if the child attends ECE four days per week, the fifth day will be charged the full-day rate, no matter how many hours the child attends TOTS - in this case 4 x \$77 plus 1 x \$87 = \$395 per week).*

*Only 5-days-per-week enrollment is available in our Pilot Group.*

*Thank you, donors!*

**We can offer these tuition rates only because of the generosity of our supporters.**

We are a 501(c)(3) non-profit organization, and our ongoing fundraising efforts are vital to keeping our doors open. We believe in offering care at average market prices, not doubling tuition just because a child has special needs.

### **Did you know?**

Tuition would have to be \$1,050 per week per child to cover our low ratio and additional supports. No way would we charge that!

Families will get tuition discounts for actively participating in fundraising; details will be shared with each event.
